## **ROADMAP**

This contract is used for the disposal of trash and garbage generated at County owned sites. The awarded vendor has provided a fixed price for a specific site with a specific type and frequency of service.

### **PRICES**

Prices offered include all rental, pick-up, disposal and collection fees, franchise fees, environmental fees, fuel cost, fuel recovery fees, fuel surcharges, shipping, transportation cost including landfill fees, franchise fees and all other incidental expenses including local, state and federal fees and taxes.

The initial contract prices resulting from this solicitation shall prevail for a twelve (12) month period from the contract's initial effective date. The County may consider price adjustments which would take effect on the anniversary of the initial effective date. The pricing adjustment may be upward or downward but shall not be in excess of the Consumer Price Index, for all urban consumers, all items in the Miami – Ft. Lauderdale area, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212.

It is the contractor's responsibility to request any pricing adjustment under this provision. For any adjustment to be effective it must be submitted ninety (90) days prior to the expiration of the then current anniversary date/year.

**METHOD OF PAYMENT**

Invoices for multiple sites shall reflect the total amount for each location equal to or less than the amount awarded for that location.

To comply with regulatory agencies requirements, contractors invoices may show Franchise Fees and/or Disposal Facility Fees as a separate line item on the invoice, total amount charged per site cannot exceed the amount awarded per site. Invoices showing any charges not authorized by Internal Services Department (ISD), Procurement Management Services Division (PMS) may not be processed resulting in delay of payment.

**CHANGES IN SERVICES**

This contract identifies specific facilities to be serviced, it is agreed and understood that the County reserves the right to add or delete services for any facility during the contract period. Award of additional services and/or facilities shall be made at the discretion of the County. Addition/deletion of sites will be made by ISD, Procurement Management Section only. Should the County decide to delete a service or facility, the awarded bidder shall remove the respective container(s) within fourteen (14) calendar days of the notice

**MIAMI-DADE COUNTY LIVING WAGES APPLY**

Contractors providing service are advised that the provisions of Section 2-8.9 of the Code of Miami-Dade County (Code) as amended by Ordinance [Governing Legislation], will apply to this contract.

**ON DEMAND SERVICE**

Contractors of containers that are serviced on demand must provide same day service if contacted before noon, if contacted after 12:00 PM service must be provided within twenty-four (24) hours of notice including holidays . Recurring and on demand services shall be provided even if the scheduled collection day falls on a holiday, no exceptions. The only time this request will be excused is when "ALL" of the County landfills are closed at once

**SERVICE REQUIREMENTS**

Contractors shall supply metal and/or plastic containers designed for the storage of trash and garbage, maintenance of said containers, collection of the refuse, and legal disposal of same.

All service timeframes shall be adhered to; except in such cases where the service will be delayed due to acts of nature, strikes, or other causes beyond the control of the bidder. In these cases, the successful bidder shall notify the County of the delays in advance of the original service date (wherever possible) so that a revised service schedule can be appropriately considered by the County. Where no specific day or time is given for pickup, it shall be as mutually agreed upon with the site manager. The successful bidders shall be available for emergency calls or services at all times. The County reserves the right for either AM or PM service. Pickup schedules shall be arranged with the user departments.

Contractors shall remove graffiti from its containers within three (3) calendar days of notification and insure containers remain in proper operating condition at all times. Type and appearance of the containers must be acceptable to the site manager.

### **SPECIAL CONTAINERS**

Wet screen containers. Container is owned by the contractor, it shall be leak proof with rollaway casters. Containers shall be designed to be picked-up with a front end loading type refuse truck. All debris disposals must be performed in accordance with Miami-Dade County Health Department Regulations

Some specialty containers are of various sizes and may require specially adapted lids, have lockable lids or have wheels. Only top loading containers shall be permitted at Miami-Dade Public Housing and Community Development (PHCD) locations.

### **SINGLE FAMILY HOMES**

Miami-Dade Public Housing and Community Development Single Family Homes requires containers sizes 36 and 96 gallon, two through eight cubic yard and privately owned containers used by single family residents.

Two single family home developments: (All of these homes require two days per week pickup services). Edison Courts, requires the contractor to leave the service vehicle and manually, from the curb side, dispose the containers trash into the service vehicle. Joe Moretti Developments - requires the contractor to leave its service vehicle and bring each 96 gallon container to the curb side for servicing.

### **GARBAGE COMPACTORS**

The contractor may be responsible for providing garbage compactors at certain service sites. In these cases the County will provide a concrete or asphalt slab and electricity. The contractor will provide, install and maintain a mechanical compactor appropriate for the volume of refuse generated. The size, type and location of the unit will be determined by the County's site manager.

The compactor shall be as follows: Electrically/hydraulically operated machines and associated bins and containers capable of compressing refuse into a refuse container which can be transported to a landfill and emptied

Contractors compactors must receive regular preventive maintenance as required by the equipment manufacturer, inoperable compactors must be repaired/replaced immediately. During any inoperable period, the contractor will be responsible for providing a container that is appropriate for the disposal of the volume of refuse generated for the duration of repairs to their compactor. The temporary container shall be serviced on demand in accordance with following schedule at no additional cost to the County for the duration of the repairs:

Monday thru Friday, between 7:00 AM and 5:30 PM within four (4) hours after notification. All other days and hours in the week, within eight (8) hours of being notified.

County owned compactors are located at some sites, these sites shall be provided with the appropriate size and shape container to insure the compactors operation as specified by the compactor manufacturers.
